CONGRATULATIONS CLASS OF 2009

The second issue of every FLYER season is dedicated to the "graduates!" This year, Harsens Island joins in celebrating 9 high school graduates! Many Island organizations offer scholarships to help these young people reach their goals for higher education. When you buy a raffle ticket from the Lioness, or eat Spaghetti at St. Paul's, or donate to the Silent Auction at the HISCFA Field Day, or attend the lovely Garden Tour... You are helping to support dozens of young people pay their high college bills. The Algonac community often praises the Island Community for their generous scholarships. And I know from first hand experience, how much the graduates appreciate all the support they receive from this island community! Kudos to everyone!

Happy 50th Anniversary

Alice & Norb Skulborski

May 30, 2009

Alice (Kuplerski) and Norb met in the summer of 1957 on the dock in front of Alice's parents' cottage on the North Channel. They were married two years later at St. Hyacinth Church in Detroit. While they raised their four children, Donna (Halacoglu), Mark, Aaron and Dale in Warren, they have always had a connection to the Island. In 1975 they purchased a cottage of their own on the North Channel. The family spent weekends and most of their summers making memories with family gatherings, large picnics and graduation parties. Eventually the decision was made to dismantle the "old cottage" and build a permanent home. In 1993, Alice & Norb Skulborski became year-round residents.

On May 30, 2009, it seems only fitting that their family and friends will all be gathered, for a large picnic, to celebrate their 50th anniversary. They have their own dock on the North Channel, and there seems to be no end to the list of cherished memories they continue to make on Harsen's Island.

WELCOME to all the generations coming to celebrate this special couple on their island paradise!

AIRBOAT OPERATIONS DURING FERRY CLOSURE

January 2009

Since March 2008, the HISCFA has been working with Clay Twp., the DNR, Bobby Bryson, and our Representative Phil Pavlow to establish a formal plan for temporary airboat operations to and from Harsens Island. As a result of this collaboration, we are pleased to announce that an agreement has been reached to facilitate the smooth transition for airboat operations this year. Should it become necessary for citizens to use the airboat for transportation across the North Channel, this notice describes the process that will be followed in 2009. *For safety reasons, all airboat operations will be conducted from the shoreline access on N. Channel opposite the Boy's Club to the DNR boat landing.*

EMERGENCY TRANSPORT :

Transport off the island will be handled by the Harsens Island Fire Department.
You must dial 911 to obtain this service.

NON-EMERGENCY TRANSPORT:

1. Bobby Bryson will operate his airboat, during daylight hours, every hour on the hour. The fee will be \$5.00 per person each way (\$10.00 /round trip).
2. If necessary, Clay Township will handle plowing of snow at the DNR site. ABC Port-A-Johns provide lavatories facilities.
3. To minimize the traffic congestion along North Channel Drive, Citizens are encouraged to have someone drop them off and pick them up at the Boy's Club. However, for those folks who need to park, [HISCFA](#) will run a free shuttle service from the parking lot at Browne's Field to the Boy's Club.

FLYER INFORMATION

For those of you who may be reading the FLYER for the first time... this is a 27 year island tradition between Memorial Day and Labor Day. In the beginning, it was a one page "flyer" passed out at the ferry on Friday & Saturday. Now, it runs between 14 and 20 pages, and can also be found at local businesses that advertise in the FLYER. If you miss your copy at the ferry, check out Sans Souci Market, The Waterfront Shoppe, Middle Channel Party Store, Riverside Grocery, Sunset Marina, and now Weavers Market! And while you're in there, be sure to support these wonderful businesses who bring you the Flyer FREE every week!

Somebody once told me that they *love* the FLYER b/c: *"I can finish reading it by the time they had to pull off the ferry, and it contains all GOOD NEWS!"*

So I am going to add some GOOD NEWS right here: Ken Cihon (co-owner of Sans Souci Market) is cancer free (after a long/grueling battle) and Linda Wolf (our island Postmaster) is back at her post after a serious bout of cancer! You've heard the saying "When life gives you lemons, make lemonade." Well, when Miss Linda was bedridden and fragile, she used that gift of time to write and illustrate her second children's book. More on that later!

George and Barbara want to Thank Susan Bryson and her crew for working so hard on the Memorial Sidewalks and for the beautification of Downtown Sans Souci. If you see her give her a special thank you for a job well done!

Since we ran out of FLYERS last weekend, I wanted to re-run this important THANK YOU note!

The **WEAVER FAMILY** wishes to express their appreciation and gratitude to all their friends, family and associates, who came together to aid a family in their time of need.

The resulting benefit was, indeed, a joyful event!

Fun was had by all

THANK YOU

to all the people of Harsens Island for all their hard work and support; and all the residents of surrounding communities who supported us also.

The following is one of my favorite reflections by Joyce Rupp ([Inviting God In](#))

One day, as I walked out of the house, I felt a rush of peace and well-being sweep through my spirit. I was keenly aware that someone was praying for me. I felt grateful and a bit in awe. I knew in that moment that God was filling me with love. This sense of an immense Power within us is one significant way in which the Holy Spirit acts. This powerful love stirs and calls to us. This gift of God's presence calls to us, unites us and supports us. We cannot force or control how or when this gift is given. We can only be open and ready to receive it. Unfortunately, it is easy to miss this graces movement of God or to take these moments for granted. Today might be a good day to deepen our awareness of how the Holy Spirit guides, protects, encourages, comforts, sustains and draws us always toward a more complete union with our Creator.
